MRS. PETERS, of CANTON, SAYS:

Canton, Ohio.

MRS. MARY L. PETERS.

About eight years ago I commenced to suffer with asthma and had great difficulty in breathing. Was so short of breath I could hardly breathe and many times had to go out of doors to get my breath. This condition kept getting worse all the time. Doctor of Canton, Doctor of Massillon, and Doctor of Barberton, all told me they could not help me. I read in the paper about Doctor McLaughlin and decided to try his treatment. At first I did not seem to get much better, but I kept on and now I am entirely free from my old trouble. I can breathe as well as I ever could, do not have any smothering spells, nor shortness of breath, and am feeling better in every way. Doctor McLaughlin has used me fine in every way and I can recommend him to any one suffering as I was.

Yours respectfully,

MRS. MARY L. PETERS.
